Tilapia major clinical signs
(টিলাপিয়া ম্যাজর ক্লিনিকাল সিগ্ন সম্পর্কে ভাষা প্রশিক্ষণ)

This tilapia disease extension material and photographs were developed by the CGIAR Research Program on Fish Agri-Food Systems (FISH) led by WorldFish. It was produced as part of the WorldFish better management practice (BMP) resources to support sustainable and responsible tilapia farming. The translation into Odia language and printing of this material were funded by the Fisheries and Animal Resources Development (FARD) Department, Government of Odisha under the ongoing Odisha-WorldFish project.
